Volume 27 Issue 4

April 2014

The year 1931 was the final year for Henry's famous Model A Ford which was dropping drastically in sales after a 5 million car production run of 4 years. GM's Chevrolet and Chrysler Corporations Plymouth were beating up quite heavily on this great little car and Ford's sales. There were very minor changes from the 1930 Model A to the 1931 one of the most notable being the upper radiator shell painted insert and the stainless steel oval logo replacing the porcelain blue oval.

Derrick and Betty Gucks beautiful Deluxe Roadster is a popular collectible today and a great car to tour with. They spotted the car for sale in the car corral of our annual show in Centennial Park in 2011. They "pulled the trigger" in October of the same year and brought it home to their residence on Casey Key where Betty has been a 30 year Florida Resident previously from Glen Rock, New Jersey. She grew up in Hoboken, New Jersey. Derrick, while being a permanent U. S. resident still has a residence in Haselor, England near

Stratford On Avon and is also a UK citizen. They spend some time each year "across the pond" where Derrick can maintain and enjoy his collection of 5 Morris Antique Cars (1922 - 1937) all in beautiful condition.

Derrick and Betty discovered our club through Paul Noller and Joined our club in 2013. We've already been enjoying you both as you attend our functions and look forward to seeing you both "motoring" in your Model A. Remember, Derrick, the steering wheel is on the left!!

From The President:

Please mark your calendars for Sunday Morning, April 27th for our annual 'Breakfast at The Beach' that is held at Service Park Venice Fla. For our new members Service Park is located South West of the corner of Harbor Dr. and Airport Rd. The club will provide all of the food for the breakfast, serving eggs, sausage, pancakes, bread, juice and coffee. We will serve from 9:00 to 11:00 AM. There is no cost to our members but we will have a donation jar out for anyone who wishes to help defray the costs of the breakfast. This is always a great event that you do not want to miss out on.

I was informed the other day that Mr. Tom Kaiser of Sarasota Fl. died on March 13th 2014. Mr. Kaiser and Mr. Devereaux started the famous annual Kaiser -Devereaux Car Show in Sarasota. Tom was very active with the Sunshine Region Car Club in Sarasota Fla. I am sure Tom will be missed by everyone.

Please also mark your calendars for Monday, April 14th for our Monthly General Membership Meeting at 7:00 PM. Richard DiSanto will have the picture programs of (2) previous Venice Region Car Shows that he tried to show last month, hopefully he has all the bugs out of the projector system. Mr. Tim Smolarick, from the Gondolier Newspaper, will attend our meeting and we will present him with his Scholarship Sponsor Award. We also hope to have Donna Pirozzi, from the Venice Chamber of Commerce, to speak to us on what the chamber does and why we should join the Chamber. This should be a very interesting meeting.

On Saturday, April 26th we will have our monthly club tour to The Historic Town of Old Myakka and the Crowley Museum. This should be a

beautiful and interesting tour motoring on the scenic rural roads of Sarasota County with no traffic. We will meet at the Old K-Mart parking lot at 7:45 AM. Please call Nancy Vandegrift at 941-408-1963 for reservations and information and see the flier in this issue.

Bill Trier and Bev Arnold have again this year updated our Membership Directory with all of the latest information as to our members names, addresses, phone numbers and listings of vehicles. We have printed these new directories and we will distribute them at the April General Membership Meeting. Please try to remember to pick yours up so we can minimize our mailing costs. For any of our members that can not attend this meeting I will mail you a copy.

I want to remind all of our members that return up north for the summer season that, due to the growing size of our club, we will only mail your monthly newsletter to your local address and you will have to forward your newsletter up north. If you have only given us your northern address please advise us as to your local address. If you do not wish your newsletter to be mailed you can always have us e-mail it to you all year around. Thank you for understanding our problem.

I want to let all of our members know, that starting now, that Lance's Car Shows will start at 6:00 PM now that we have daylight savings time and remain at 6:00 PM until the end of daylight savings time in the fall. Please feel free to call me anytime if you have any ideas on how we can make our club better or more enjoyable. We need everyone's help to make our club prosper in the future.

Thanks,

Gary Felker

HISTORICAL VEHICLE - submitted by Chuck Ford

1913 National Series V Tonneau

The **National Motor Vehicle Company**

was founded at Indianapolis, Indiana in 1900. The company first concentrated on electric vehicles, making their first one, a runabout with tiller steering called the Style A, in 1900. They moved into internal combustion-engined cars in 1903 with two- and four-cylinder models, both using engines made for them by Rutenber.

For 1905, the two-cylinder model was dropped and a six-cylinder car took its place. The last electric cars were made in 1906, and in 1907, National starting building its own engines. Peak production for National was reached in 1915 with over 1,800 cars made. For 1916 the company introduced the "Highway Twelve" with a

12-cylinder engine of the company's own design.

Forced to raise their prices to counteract the effects of wartime inflation, National ended up in a higher, uncompetitive price range. For 1920, National dropped their Highway Sixes and Twelves and issued a new model - the Sextet. The Sextet used a Continental side-valve six-cylinder, modified by National engineers with an overhead valve head. The new Sextet did not lose much in power output, but the new body designs were taller and bulkier and now more expensive.

The company was merged to form Associated Motor Industries in 1922 along with Dixie Flyer and Jackson. Associated was renamed the National Motors Corporation in 1923, and cars were made under the National brand until the company ceased production in 1924.

THANK YOU FOR HELPING

The Lipizzan Stallions of Austria Show was a wonderful event for our members. Not only was there a fantastic show, but we also were given an exclusive tour of the stables that included some of the young colts. We would like to say **Thank You!** to Herrmanns' Royal Lipizzan Stallions Company for putting on a fantastic show!

The Amelia Island Concours d'Elegance is a beauty pageant for rare and elegant cars held each year at The Ritz-Carlton Amelia Island. It was founded by Bill Warner (a photographer/writer for Road & Track magazine) in 1996 at the urging of other northeast Florida auto enthusiasts who wanted a charitable classic car show like the Pebble Beach Concours d'Elegance in California.

Recently our own Richard DiSanto and his wife had the pleasure of attending this even as part of their “Bucket List.” Not only did he bring back photos to share with the rest of us, but he says that the event was an incredible show of automobiles.
